

Leading people to Jesus and helping them become fully devoted followers of Christ. That's the driving purpose behind everything we do at Centre Street Church. Through the Generous Giving of our congregation, we have been able to accomplish much towards that end and we believe God is calling us to do more. One way you can partner with us is through Planned Giving.

Planned giving allows you to invest into God's kingdom now and in the future, in a tax efficient way.

"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."

2 Corinthians 9:7

PLANNED
giving

OPPORTUNITIES FOR PLANNED *giving*

Each of the following planned giving options needs careful attention and prayerful consideration. If you would like to talk to someone to learn more about how you can partner with us in this way, please contact us. We would be pleased to help you in planning your legacy.

wills

Your will is an excellent gift instrument and can be used to leave a legacy to your favorite charities. A Will is the cornerstone to any estate planning. It also is the last communication you will have with your family and it is another opportunity to reaffirm your priorities and values to them.

securities

You can donate almost any kind of property in many different ways. The most significant tax benefits will be available if you give stocks, mutual funds and bonds directly. You will receive a tax receipt for the market value of your donated assets, and also avoid paying capital gains taxes—a double benefit.

retirement funds

The tax advantages of an RRSP generate significant benefits during a person's lifetime. Prior to retirement, funds invested in registered plans are tax deductible and then these funds grow in the tax deferred plan. But eventually the tax has to be paid. How might you reduce these taxes?

life insurance

Life Insurance is an excellent estate planning tool and it can be used to create a significant gift to Centre Street Church. With a relatively low investment in premiums a significant charitable asset can be created.

real estate

Property is often the largest asset that you own and yet it is not easily liquidated. But with proper planning it can be donated to Centre Street Church, resulting in some significant tax benefits while providing a generous gift to ministry.

memorial / honor gifts

Memorial gifts are a unique way for you to honor the life of your loved one. Honor gifts celebrate the accomplishment of your loved ones. Both these types of planned giving make a tribute to your loved one, and impact the lives of many others.

YOUR FINANCIAL ASSISTANCE

will go towards

csc mission

Introducing people to Jesus and helping them become fully devoted followers of Christ.

campus development

Some of our campuses currently meet in rented space. We are believing God that over time we will be able to move our campuses into purchased or built facilities. Further we are believing that over time God may add additional campuses to our ministry.

leadership development

We want to invest in the education of our future leaders. Scholarship Funds support the provision of scholarships, bursaries and awards to students who will one day become our leaders.
