

NIGHT OF PRAYER

Praising God for all His Mercies, Blessings, Faithfulness and Protection – Psalm 103: 1-2 Bless the LORD, O my soul: and all that is within me, bless his holy name. Bless the LORD, O my soul, and forget not all his benefits.

2 Chronicles 7:14 -If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. Please pray into areas of repentance, acknowledge our sins, lack of humility, lack of prayer. Our repentance will lay the groundwork for restoration.

Business - Pray for bible studies and prayer meetings to become common practice in the marketplace. Pray that God will move powerfully as believers meet together and their workplaces would be transformed by God's presence. (Acts 4:31)

Education - Pray for a new level of boldness to come on students to share the gospel, pray for their peers, and pursue miracles in their schools. Pray for a great awakening to come to our schools and for multitudes to be saved.

Religion - Please for pastors and other ministry leaders as they navigate the pandemic restrictions and lead their congregations. Many church leaders are being pulled in different directions by the opinions of their people. Pray they will make decisions with discernment, hear the Holy Spirit clearly and follow His lead only. (Phil 1:9-10)

OCTOBER 21 | 7PM
CENTRAL CAMPUS

Family - Fear and anxiety have taken a toll on families throughout the pandemic. Please pray that Jesus as the Prince of Peace will be revealed to all who do not know him. Pray that a spirit of power, love and sound mind will be poured out on those that know him so that fear will not be a stronghold in their homes and families. (2 Tim 1:7)

Pray for our partners that lead through Compassion focusing on missional benevolence and resource ministry. Pray for spiritual fruit as partners seek to disciple people out of hopelessness of many kinds while responding to very practical needs in individuals lives. BUILD - What an exciting answer to prayer; praise the Lord that the new Bearspaw Campus is open!! Pray that God will use this new facility to draw many to himself over the coming years. Praise the Lord that good progress at the Central Campus expansion has been possible this summer due in large part to good weather. Pray for continued good progress as we move into the fall, including being able to fully enclose the exterior so work can fully proceed during the winter on the interior.
