

CENTRE FOR THE CITY Multiple Positions

At Centre Street Church we want to make an impact on lives, communities and the world by introducing people to Jesus and helping them become fully devoted followers of Christ. That's the purpose behind everything we do. We are passionate about being a disciple-making church and we desire to see our people living on mission for Christ in community. At our core, we are a network of missional community groups who gather each week for worship in five locations (Airdrie, Bearspaw, Bridgeland, Central and South) across the greater Calgary area. This unifies us as "One Church in Many Locations."

We are so excited about the work God has been doing in our church and in the lives of those in greatest need in our city! We are on a journey of developing 'Centre for the City' which includes our ministry areas of **Compassionate Ministries** and the **New Canadian Friendship Centre** existing in unity at Centre Street Church to provide a missional outreach and a place of welcome, belonging, and life changing relationships as we introduce the marginalized to Jesus and invite them to become fully devoted followers of Christ.

We are looking for the right people to join our team in ministry coordinator, ministry assistant and front-line roles serving the most vulnerable in our city in the name of Jesus!

Would you describe yourself as having a heart of compassion? Do you have a background in social services and ministry to marginalized peoples? Is it your desire to help people in need find a better end to their story? (John 10:10)

If any of this describes you – we would love to have a conversation and get to know you!

Please send your **resume** to careers@cchurch.ca outlining your paid and/or volunteer experience working with marginalized peoples. We would also like you to include a **cover letter** that tells us more about you...

- Your calling to work with those in greatest need in our city
- Whether you are looking for full time or part time work
- Your availability to work days and evenings
- Your experience and desire to work with people with a variety of needs from across our city and what it means to you to have a heart of compassion
- Your background both in administrative and practical ministry work
- How you are currently serving right where you are

Once your resume and cover letter have been received, your documents will be prayerfully reviewed. If we would like to move forward with an interview, you will be sent a position profile via email. This will provide detailed and specific responsibilities, expectations etc. for this position. You will also be sent further application documents to complete before an interview is scheduled.

We look forward to hearing from you soon!
