## INDEPENDENT AUDITOR'S REPORT

---

### To the Members of Centre Street Church

#### Qualified Opinion

We have audited the financial statements of Centre Street Church (the Church), which comprise the statement of financial position as at June 30, 2019, and the statements of operations and changes in fund balances and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Church as at June 30, 2019, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### Basis for Qualified Opinion

In common with many charitable organizations, the Church derives revenue from programs the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Church and we were not able to determine whether any adjustments might be necessary to contributions, excess of revenues over expenses, current assets and fund balances.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Church in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### Other Information

Management is responsible for the other information. The other information comprises the information other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

(continues)

Independent Auditor's Report to the Members of Centre Street Church (continued)

In preparing the financial statements, management is responsible for assessing the Church's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Church or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Church's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Church's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Church's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Church to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**CENTRE STREET CHURCH**  
**Notes to Financial Statements**  
**Year Ended June 30, 2019**

---

**1. PURPOSE OF THE ORGANIZATION**

Centre Street Church ("the Church") is a member of the Evangelical Missionary Church of Canada (EMCC), operated through a federally incorporated body and registered with Canada Revenue Agency as a charitable organization and accordingly is exempt from income taxes.

The Biblical purpose of the Church is to introduce people to Jesus and help them to become fully devoted followers of Jesus who are committed to loving God, loving one another and together loving our city, nation and world by pursuing God, pursuing relationships, pursuing mission, pursuing generosity and pursuing simplicity.

The continued operation of the Church is dependent on the continued support of interested individuals.

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of presentation**

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO)

**Fund accounting**

These financial statements include the assets, liabilities and fund balances of the funds controlled and administered directly by the Church.

The funds are summarized for reporting as follows:

- City Mission General fund,
- Global Mission General fund,
- Other funds (including Appleseed Resource, Benevolence, CSC Conference, CSC Scholarship Funds, Café, Centred Singles, City Mission Opportunity, Designated Missions, Facility Rental, Global Mission Opportunity Fund, HR Contingency, Maranatha, Musical Training, Pastoral Training, Short Term Missions, Special Needs, Wedding, Young Adults, Youth Missions),
- Capital funds (including City Mission Capital Development, City Mission Sustaining Capital, and Global Mission Capital Development Fund).

**Financial instruments**

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment when there are indicators of impairment. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial instruments of the Church include cash and cash equivalents, accounts receivable, investments, and accounts payable.

*(continues)*

---

**CENTRE STREET CHURCH**  
**Notes to Financial Statements**  
**Year Ended June 30, 2019**

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Cash and cash equivalents**

Cash and cash equivalents are comprised of cash and short term deposits with original maturities less than one year at the time of purchase or having the capacity of prompt liquidation.

**Inventory**

Inventory of books and other items for sale in the Appleseed Resource Centre is valued at the lower of cost and net realizable value with the cost being determined on a first-in, first-out basis.

**Property and equipment**

Property and equipment are recorded at cost less accumulated amortization. Property and equipment are amortized over their estimated useful lives at the following rates and methods:

Buildings	40 years	straight-line method
Parking lots	20 years	straight-line method
Furniture and equipment	5 years	straight-line method

The Church regularly reviews its property and equipment to eliminate obsolete items.

Purchases less than \$10,000 with a life less than 5 years are expensed as purchased. Contributed assets are recorded at their estimated fair value at their date of contribution.

**Revenue recognition**

The Church follows the deferral method of accounting for contributions where externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred and, if the restricted contribution is for the purchase of non-depreciable capital assets, directly as an increase to fund balances. Unrestricted contributions to specific funds are recognized when received or receivable.

Programs, services and sales revenue are recorded as earned and include such programs as Alpha, Recovery, VBS and various events for which participation is considered more important than the completeness of revenue. Interest income is recorded as earned.

**Contributed services and goods**

Volunteers contribute a significant number of hours each year to assist the Church in carrying out its mission. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements. Contributed goods would only be recorded if the value can be determined and the item would otherwise be purchased (none recognized).

**Allocated expenses**

The Church reports its expenses based on function (Staff and contract, Designated missions, Ministry, operations and support) with expenses not directly related to a function being included in Ministry, operations and support.

No fundraising costs have been incurred in 2019 nor 2018. All general expenses are included in general fund operations.

*(continues)*

---

**CENTRE STREET CHURCH**  
**Notes to Financial Statements**  
**Year Ended June 30, 2019**

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)***

**Measurement uncertainty**

The preparation of financial statements in conformity with Canadian Accounting Standards for Not-for-Profit Organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. In the financial statements of the Church, the more significant areas for which management is required to make near-term estimates is in the assessment of the net realizable value of accounts receivable, inventory and property and equipment. Actual amounts could differ from those estimates.

**Comparative figures**

Certain comparative amounts have been reclassified to conform to the current year's presentation.

---

**CENTRE STREET CHURCH**  
**Notes to Financial Statements**  
**Year Ended June 30, 2019**

---

**3. FINANCIAL INSTRUMENTS**

The Church is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Church's risk exposure and concentration as of June 30, 2019.

Credit risk

Credit risk arises from the possibility that third parties may default on their financial obligations. The Church is exposed to credit risk on cash which is minimized by ensuring that cash is held with credible financial institutions.

Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The Church is mainly exposed in regards to stock donations received which are liquidated shortly after receipt.

a) Currency risk

Currency risk is the risk that the value of financial instruments denominated in currencies other than the reporting currency of the Church will fluctuate due to changes in foreign exchange rates. The Church is not exposed to foreign currency risk.

b) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. The Church is exposed to interest rate risk on its fixed and floating rate cash and cash equivalents. In seeking to minimize the risks from interest rate fluctuations, the Church manages these risks through diversified short term deposits with banks, investment brokers and Abundance Canada.

c) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Church is not exposed to significant other price risk.

Liquidity risk

Liquidity risk is the risk that the Church will encounter difficulty in meeting obligations associated with financial liabilities. In minimizing the liquidity risk, the Church prepares annual budgets for each fund and actively monitors its cash flows from operating, investing and financing activities.

	<b>1,000,000</b>	2,000,000
	<b>\$ 1,000,000</b>	\$ 2,000,000

On July 1, 2017 the Church sold its West Campus for \$8.5 million, receiving \$5.5 million cash and a mortgage receivable of \$3 million. This mortgage is repayable in annual instalments of \$1 million due July 1, with the first instalment being received in June 2018 and the remaining two instalments due July 1, 2019 and July 1, 2020. The mortgage bears interest at 2% per annum, with interest being waived if annual instalments of \$1 million are paid by the due date.

Principal repayment terms are approximately:

2020	\$ 1,000,000
2021	1,000,000
	<b>\$ 2,000,000</b>
