

GENERAL CONSTRUCTION LABOURERS

God is on the move at Centre Street Church. He is not a status quo God! For the last 60 years in the life of our church, we have learned that every time we build more room for God, He fills it to overflowing. When He fills our hearts, we spill out His love to those around us. When He fills our lives, we spill out His compassion through service and generosity. When He fills our church...well, we build more room. We build more room for people to meet Jesus. We build more room to help them become fully devoted followers.

We are excited about our two BUILD More Room for God construction projects – expansion of our Central Campus and construction of a new NW Campus!

We are looking for two General Construction Labourers to help out on these projects by performing various construction duties. Experience on commercial construction sites would be an asset.

To apply, please go to: <https://ca.indeed.com/cmp/Centre-Street-Church/jobs> and provide a detailed list of any safety training/ certifications in your application.
