COMMUNITY GROUPS

This is an opportunity for students to connect with each other in the context of authentic community. Students and their leaders come together mid-week in a Host Home to have fun, connect with each other, with their caring leaders, and grow deeper in their understanding of who God is and grow in their relationship with Him. Community groups meet all over Calgary and Airdrie.

YOUTH TALKS

This is where students from all campuses come together for a night of fun, worship, age-appropriate teaching, sharing testimonies, and connecting with other students and their leaders. This happens at Bridgeland Campus, once a month.

ANXIETY SUPPORT GROUP

This is an opportunity for students with anxiety to intentionally come together. There is teaching on coping skills, tools for the journey, and great opportunities to meet and learn from one another. This happens at Bridgeland Campus, once a month, before Youth Talks.
